

Beaver Road Nursery

Welcome back!

We hope you had a lovely break and we'd like to welcome you back to Nursery.

Summer 2

We worked on the following last half term:

- Rhythm and Rhyme
- Alliteration
- Calculating
- Number recognition.

Next term we will be spending a lot of time focusing on transition and helping children to prepare for their move into Reception.

We will start to take the children over to the canteen for lunch on a daily basis. If you would like to go for lunch with your child in the school canteen there is an opportunity to do so each Wednesday between 11.30am and 12.30pm.

We will also start to go over to Reception in small groups, to allow children the opportunity to familiarise themselves with their new classroom and their new teacher.

Important dates for your diary:

10th June 6pm, A meeting is being for parents to give you the opportunity to find out what your child will be learning next year in Reception and also an opportunity to ask any questions.

Wednesday 30th June Transition day. Beginning of the week children to go straight to Reception at 9am -11.30am. End of week children to arrive at Reception at 12.45 -3.15pm. Transition Day is an important day for children, giving them time to explore their new classroom and spend time with their new teacher.

9th July Nursery Reports will be sent home.

We want to take this opportunity to thank you for your continued support.
