

## What we have been learning in Reception. Week commencing 5 July

With the end of the year fast approaching, we have been spending lots of time putting the finishing touches to our Minibeast Musical. The children put on a great dress rehearsal for children from Nursery and Years One and Two. We are now really looking forward to the performances next week.

In our guided writing session this week, the children have been putting the finishing touches to their minibeast stories. These books will be sent up to their Year 1 teachers.

Our carpet sessions this week have included circle times to reflect on the children's journey through Reception. We have talked about what each child has enjoyed, what they will miss about Reception, what they have learned and what they hope to achieve in Year 1. The children have given some lovely responses and we are delighted that they are all so positive about going into Year 1.

### Reminders and Requests

- If you have not yet done so, please return any school reading books or PEPL resources that you may still have at home.

- Minibeast Musical

Performances are on Monday 12 July at 2pm and Tuesday 13 July at 9.30 am and 2pm. The Tuesday morning performance is being recorded and parents will have the opportunity to purchase DVDs.

- Sports Day

This will take place on Thursday 15 July at 9.30 am on the back field. Please could you check that your child has a PE kit in school (including trainers).

Many thanks for your support.
