

Beaver Road Curriculum Newsletter

Spring 1 - Year 2

Dear Parents/Carers,

Here are some details about the topics we will be studying throughout this half term, along with information about trips and other events.

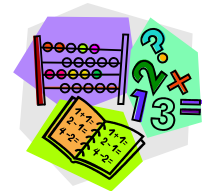

English

- Reading and writing Riddles
- Exploring and writing our own creative stories with a problem and solution.
- In Year 2 we always have a weekly guided reading session.

Mathematics

- Doubling and halving numbers up to 20.
- Recalling addition and subtraction facts up to 100
- Using repeated addition to solve multiplications.
- Begin to use repeated subtraction and sharing to solve division problems.
- Learning about the properties of 2D and 3D shapes.
- Solving word problems involving addition, subtraction, multiplication and division.

Topic - Food

Learning about the history behind food and where in the world certain foods originate.

Designing and creating new recipes.

Investigating how to keep healthy by looking at healthy and unhealthy foods.

Exploring food art by looking at famous artists such as Kate Malone, Carl Warner.

As well as many more exciting discoveries!

Enrichment

- This term to enrich our topic of Food we will be visiting Pizza Express and creating our own pizzas.
- We will be becoming food critics by sharing and tasting our favourite foods.

Parent's Page

If you want to support your child's learning at home, here are a few ideas you might like to try:

- Listen to your child read every night. Make it fun and no pressure!
- Visit the local library and enjoy books together.
- Talk to your child and gather information about your family's favourite celebrations

Please ensure your child has the correct clothing and footwear for indoor and outdoor P.E.
