

# Beaver Road Primary School

At Beaver Road we believe:

**Excellent teaching gives children the life chances they deserve.**

Our School does not fail any child. High standards, especially in literacy and numeracy, are the backbone of success in learning and in life. Our School does not write off any child through low expectations.

**Enjoyment is the birthright of every child.**

The very best schools bring excellence and enjoyment together. Children learn better when they are excited and engaged. What excites and engages them best is truly excellent teaching. Excellent teaching challenges children and shows them what they can do. When there is joy in what they are doing, children learn to love learning.

**Learning to Know    Learning to Do**

**Learning to Live Together**

**Learning to Be**
