

12 July 2010

School's out for Summer!

Beaver Road Primary School brings the curtain down on another School Year on Friday 16 July. We wish you all a very good Summer Holiday. Children in Y1 to Y6 come back in to School on Monday, 6 September. Nursery and Reception children and parents have their own special start times.

Best wishes to our Year 6 who move on to their secondary schools in September. Enjoy all the celebrations of your last week at Beaver Road. You have been a fantastic Year Group and we will all miss you **so much!**

This week it's Goodbye from them as well!

We say goodbye to Mrs Adams, Mrs Bennett, Mrs Fletcher and Mrs Walch who have each given great service to our School over many years. We wish them well on their retirement from our School, although listening to their plans they will certainly not just pottering around the garden.

A farewell get together is being held in the Staffroom for colleagues after School finishes on Thursday.

Beaver Road and Academy School status

We understand there has been some concern because Beaver Road was published in a list of schools that some parents thought meant we were applying for academy school status under new government legislation.

Actually we only expressed an interest in finding out more about what's in it for our School and what the wider consequences might be for other Manchester schools.

As yet we have received no further communications from the DES.

Parrs Wood High School and Federation

We understand that the plan to move PWHS into a hard federation with two schools in Trafford has been postponed. A new Governing Body is being appointed and they will determine the course of action to take following further extensive consultation with the local community and interested parties such as primary schools.

And one final reminder...

ZOOM PLAY CENTRE OPENING SUNDAY SEPTEMBER 5TH

Just a reminder that our new venture is opening on this date (day before school starts again!)

Pop along for a coffee while the kids enjoy a play.

Any ideas or questions give us a call or send us an e mail.
