## **Harvest**

Sian Gasson from Emmanuel Church will be leading the School's Harvest celebration this Monday. Many of you will either remember or still take part in the traditional harvest celebrations with churches and schools decked out in foods and flowers. The produce brought in would often then be distributed to poor or elderly people in the community.

Our children at Beaver Road have raised many hundreds of pounds for charities in the past. This year, for Harvest we have decided to go without a bought drink this week (an orange, a lemonade, a milk shake, a coke etc) and donate the money saved to Water Aid.

## **Water Aid**

Water Aid is a non-government organisation whose mission is to overcome poverty by enabling the world's poorest people to gain access to safe water, sanitation and hygiene education.

These basic human rights underpin health, education and livelihoods and form the first, essential step in overcoming poverty.

## **Eid celebration**

Wednesday 8 October will be our Eid celebration.

During the afternoon there will be Eid parties in School.

Children can wear their party clothes for the day.

All Muslims make donations to charity at Eid time.

This year we are all joining together to support Water Aid.

## **Class photos - Wednesday**

School photographs were postponed last Wednesday because many children were out of school celebrating Eid. A new date will be published soon.

## **Change of date - important reminder**

We have been informed that the School will be used as a polling station for the European elections on Thursday 4 June.

School will be closed on this date for children.

Staff will have a day of professional training.

So that our children do not miss out on days of schooling the planned In-Service Training Day (INSET) for Friday 1 May has been cancelled and children will now attend School on that day
