Family holidays and visits – a brilliant resource for Beaver Road

We are very proud of our international, multi-cultural school. Over the next few weeks we have families going on visits and holidays to places like Argentina, France, Pakistan, Switzerland, India, United States of America and Iraq.

Would you be willing to keep a scrapbook of your holiday or visit to bring back to School? In a short space of time we could build up a fascinating resource of information from many countries for other children and teachers to read and look at.

Please see Mr How for more information.

Supporting our local Didsbury business community

It is in all our interests to support Didsbury as a thriving place to live and work in.

Our School wishes to support local businesses, especially those run or worked for, by our parents and carers.

If you want to advertise any of these businesses or services free at School or through this Newsletter, please contact Mr How.

And don't forget to wear Red on Friday and
