Water Aid

As part of our Harvest celebration and Eid celebration we are asking for donations of 50p to £ 1 00 (the cost of a drink for children) to Water Aid, one of this School's regular charities. In many countries women and children spend hours each day walking to collect water that is often unsafe to drink and makes them ill. When children are ill they cannot go to school and their mothers stay at home to care for them. When fathers are ill they cannot earn money.

The path out of poverty begins with clean water and sanitation. A gift from us today will help some of the millions of people without clean water and sanitation along that path.

With our money Water Aid can

For £ 12 00 buy 2 taps for a village water point

For £ 15 00 dig a well

For £ 50 00 supply a hand pump

For £ 56 00 install a toilet

Please send any cash in to Class teachers.

Parents and children can visit the excellent Water Aid website - www.wateraid.org

Rainbow Trust

Thank you all for your generosity in contributing to our local charity the Rainbow Trust which provides such valuable support for the families of very ill children.

£ 703 53 was the sum raised!

The Four Seasons Garden

Our environmental garden in the quadrangle inside School continues to flourish. If you have any garden tools you no longer require we can put them to very good use with our teams of keen young gardeners.

Please send them in via your Class Teacher who will pass them on to Mr Dale (5D) the Four Seasons Garden coordinator.

Spring and summer flowering bulbs would also be much appreciated.

Change of date – important reminder

We have been informed that the School will be used as a polling station for the European elections on Thursday 4 June. School will be closed on this date for children. Staff will have a day of professional training. So that our children do not miss out on days of schooling the planned In-Service Training Day (INSET) for Friday 1 May has been cancelled and children will now attend School on that day

Eid thankyou

We all enjoyed the Eid Celebration last Wednesday. Many thanks to Mrs Hussain and her team of parent helpers who worked so hard on behalf of our children.

Friends of Beaver Road – Walk in the Park thankyou

On Sunday 12 October parents, carers and children went on a treasure hunt walk around Fletcher Moss. Fletcher Moss is one of our own local treasures and the Autumn sun showed it off in all its glory. Many thanks to Mrs Mahapatra for organising such an enjoyable event.

Curriculum information

We have listened to parents and carers about the kind of information they would like from School. Much improved and more informative information about what your child is doing at School this term are available on the school website (click on Curriculum).

Parental Consultations

The first parental consultation evenings of this school year will be held on Monday 20 October and Wednesday 22 October.

Teaching Awards

If you think one of the teachers or teaching assistants at Beaver Road deserves a big thank you there is no better way than to make a nomination for the Teaching Awards 2009. You can nominate now on www.teachingawards.com
