Friends of Beaver Road – Happy Christmas!

FOBR would like to thank all the parents who supported the annual FOBR Christmas Disco and to let you know that the disco raised approximately £1,000. The money will be spent on replacing the wooden benches in the Early Years' Playground, which have not coped very well with the rain this year!

The support of all parents is greatly appreciated and we will let you know what future events are planned for next year.

If you want to volunteer or come along to the next FOBR meeting on 13th January, please e-mail sophiebarbados@hotmail.com or ring Sophie on 438 0678.

Have a great holiday and here's to 2009 from FOBR!
