Friends of Beaver Road Spring Ball

28 March at 7.30 pm

A message from Sophie Rushton, Chair of FOBR

Just to confirm that all those who applied for tickets shall be going to the Ball in the Riverside Suite!

Rather than issuing tickets, we will have a list of names on the night and the Galleon have been provided with a table plan which indicates those who have asked for vegetarian options.

There will a raffle and a mini auction after the meal followed by a disco.

We hope you have a great evening and look forward to seeing you there!!'

Thanks

Sophie

Clear out your clutter and make money too!

Children's Table Top Sale and Swap Shop at Beaver Road

Saturday 2nd May from 2.00 to 4.00 pm

Take this opportunity to have a spring clean and recycle. Get rid of unwanted children's gear (books, toys, games, bikes, clothes etc) and make money or swaps for something you actually want!

Pitches are available only to parents and carers of pupils at Beaver Road at a cost of 10 pounds each payable to confirm booking.

Pitch set up from 1.15pm on the day. Pitch holders drop off and pick up available in staff car park.

To book a pitch contact Zara Pain on 07759 716 727 or email zara.pain@ntlworld.com

Funds raised from pitches and admission on the day will go toward Friends of Beaver Road (FOBR). **Please support.**

Supporting our Didsbury community – Pixie Childrenswear

Each week in the Beaver Road News we would like to showcase local businesses and services run by Beaver Road parents and carers. Please contact DavidHowHT@yahoo.co.uk if you would like a mention.

This week we look at Pixie Childrenswear at 6 Albert Hill Street (445 5230) run by Sheila McVitie.

Pixie was established in 2003 selling high-quality clothing and gifts for babies and children, and stylish maternity wear and accessories for mothers to be. Quirky and original children's clothing, teamed with good-quality classics, make Pixie a unique shopping experience.

Pixie pride themselves on building relationships with their customers so they truly understand their needs.

Sheila says:

'At Pixie, we supply beautiful products that you and your children will cherish, and that will conjure up memories through the associations they have with pregnancy and childhood. We also know that clothing should be able to stand the test of time, and quality and durability are very important to us.

Pixie also cares about the environment and our local community. We strive for 100% ethical production and a high proportion of our range is Fair Trade and made from organic materials. We have added a new category to our site called [Pixie Cares](#) where we will keep you informed about what we are doing to help you, your children and the planet.

Above all, Pixie is about celebrating childhood and having fun! We have added an interactive area to our website where kids can have a [play](#). From time to time we will run competitions and add different games to this area.'

Pixie Childrenswear is one of the main suppliers of Beaver Road Primary School uniforms and additional school clothing.

The website is www.pixiechildrenswear.com
