

14 September 2009

Parents' and Carer's Evenings this week

On 14 and 16 September we will have our first of the school year Parents' and Carers' Evenings. The focus of this meeting with your child's new Class Teacher is 'All about my child'.

It is very important that we know as much as possible about every child in our School:

- Hobbies, interests, sports, membership of clubs/organisations
- Special talents
- What has best helped their learning in the past and what has been a barrier
- What they like about school and what they do not like about school
- Any other information you think might help the Class Teacher in teaching your child

We will also be handing over to you the new Beaver Road Home and School Book that we have designed to give you:

- information about what your child will be learning throughout the year
- helpful information about working at home on reading, spellings, times tables etc
- a medium through which home and school can keep in regular contact

New home-School-home links by email and text

Many of you have commented favourably on our new text and email communications facility. We will be sending out this and future e-news editions by email to all parents and carers. There will be times when we will need to contact you by texting your mobile.

If you have not been receiving these communications please get in touch with the School Office with:

- Your email address or change of email address
- Your mobile number or change of mobile number

Either:

- text them to 01618500813 (the School's Group Messaging Text Number) or
- email them to admin@beaverroad.org.uk or
- call in to the School Office and speak to either Denise or Dawn.

We also want you to make the best use of the School website www.beaverroad.org.uk for information and we have re-designed it to better meet that purpose. On the website, as well as children's work and photographs you can now find for instance:

- Holiday dates and important School event dates for the year
- School forms and permission slips to download
- After School – Outside Organisations information
- After School Music
- School trips for the forthcoming school year, with costs
- Residential trips and information for parents/carers
- What your child is learning this term (ready from 14 September)
- School policies

Rosh Hoshannah – A Happy New Year (19 Sept) to all our Jewish children and their families.

Eid Mubarak – A Happy Eid (21 September) to all our Muslim children and their families
