

Date: 26th March 2007

Dear Parents and Carers,

Please find attached a copy of the full OFSTED Report for our School.

The Governors are well aware that the vast majority of schools would be only too pleased to receive a Report like this.

However the Governors believe the written Report does not fairly match the spirit of what was said in the oral feedback given to them at the end of the Inspection on 8 March. In our opinion, the Report does not do full justice to the achievements and attainments of our children and their School, nor to their personal, social and emotional skills and community pride, all of which were highly praised by the inspection team throughout their two days in School.

The Report is subject to an Official Complaint by the School.

The complaint is being investigated by OFSTED with a decision on the complaint being made in early May.

Notwithstanding the criticism we have of the Report, we are very pleased that the OFSTED inspection team confirmed our own assessment of Beaver Road. It is a Good School. We know, under the leadership of the Headteacher and his dedicated staff, and with the continuing support and encouragement of you the parents and carers, it is going to get even better.

Yours sincerely,

The Governing Body.
