

Dear Colleague

Beaver Road is a large and very successful primary school. Our School reflects the vibrant multicultural community that makes Manchester one of this country's great cities.

As Headteacher of the School I am looking for staff at all levels who love working with children. I want commitment, dedication, energy, creativity and a zest for learning.

Take a look at our website www.beaverroad.org.uk to get a feel for the kind of school we are and want to be.

If you decide that you would like to join us, read the person specification carefully before downloading and filling in your Application Form and writing your Letter of Application.

The Letter of Application is an important personal statement about what you believe you can bring to our School.

Application forms with an enclosed Letter of Application should be sent in a clearly marked envelope for my attention, at the School address.

The closing date for applications is Monday 12 April.

If you would like confirmation that we have received your application form, please enclose a SAE.

Shortlisted candidates will be invited to visit the School.

Interviews will take place early in the Summer Term.

Thank you for taking an interest in working at our School.

Good luck with your application.

Best wishes

David How
Headteacher
