We recognise that all School personnel are vulnerable to accusations of abuse because of their daily contact with children. We acknowledge that dealing with allegations against School personnel is a stressful, demanding, complex and delicate process for all involved. But we will ensure that all allegations will be taken seriously and investigated immediately and impartially in order to provide instant and effective protection for the child concerned and to provide support for the person who is the subject of the allegation.

We wish to create a culture of openness that will allow children and School personnel to make truthful reports of any inappropriate behaviour and in the knowledge that all allegations will be taken seriously.

We encourage all School personnel to protect themselves against false accusations by treating all children with dignity and respect, and to ensure that they never work alone with a child, always maintaining a safe and appropriate distance, avoiding physical contact and being cautious when dealing with sensitive moments.
