### School Security

Date	Review Date	Coordinator	Nominated Governor
January 2017	January 2018	Headteacher (overall responsibility Director of Finance & Resources (operational))	Chair of Finance, Staff and Buildings

We believe this policy relates to the following legislation:

- Prevention of Crime Act 1953
- Occupiers Liability Act 1954
- Health and Safety at Work Act 1974
- Criminal Law Act 1977
- Control of Noise (Code of Practice on Noise from Audible Intruder Alarms) Order 1981
- Local Government (Miscellaneous Provisions) Act 1982
- Police and Criminal Evidence Act 1984
- Education Act 1996
- Offensive Weapons Act 1996
- Knives Act 1997
- Data Protection Act 1998
- Management of Health and Safety at Work Regulations 1999
- Countryside and Rights of Way Act 2000
- Education Act 2002
- Children Act 2004

We have a duty under the Education Act 2002 and the Children Act 2004 to safeguard and promote the welfare of children and to safeguard and promote the welfare of school personnel and people who use the School under the Health and Safety at Work Act 1974.

Therefore, we believe it is essential to have in place exceptional School security systems to protect pupils, School personnel, visitors and equipment. Parents need to feel confident that everything has been done to create a safe and secure learning environment for their children. Our principal aim is to ensure the personal safety of the whole School community and will have in place effective School security procedures. Periodically we will gauge the views of children, School personnel, parents, visitors and governors by asking them to complete a School security questionnaire.

## Beaver Road Primary School

However, it is not our intention to turn the School into a fortress but to create a balance between a warm and welcoming learning environment combined with sound security systems and procedures. We want pupils to feel safe in a School that provides a safe and secure environment.

We wish to comply with all relevant legislation such as the Occupiers Liability Act 1954 where we have a duty to ensure contractors, and even trespassers to the School site, do not suffer injury while on the school premises by having in place effective safety procedures.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a School community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
