

Sports Clubs - Lunchtime and After School

Can you please make your children aware of the classrooms that are being used as changing facilities for the sports provision starting today - 13th September.

If it is a club **after school** they should make their way to the classroom at the end of the school day where the coach or teacher will meet them and take a register.

If the club is at **lunchtime** then they should make their way to the classroom to get change after they have eaten. They will be on first sitting on the days they have a lunchtime club.
