Some words are really hard to remember how to spell even when we use them a lot.

Let's look at the word

because

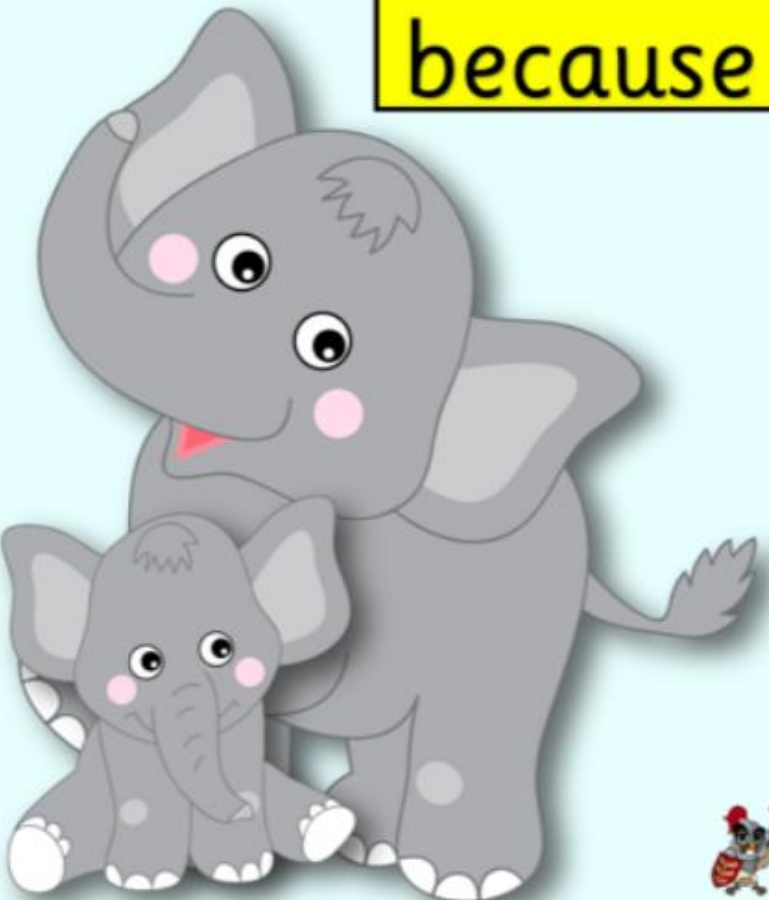

Why is it so tricky to remember?

Can any one remind us of the way we  
tried to remember it in Year One?  
The clue is elephants!

Yes we used a special sentence called a mnemonic to help us remember.  
Big elephants can always understand small elephants.

**big**  
**elephants**  
**can**  
**always**  
**understand**  
**small**  
**elephants**
