Dear Parents / Guardians,

Our Beaver Road gardens need parent and children helpers to help us to create and maintain our garden spaces.

Parents are welcome to book a slot and to come and volunteer with the children they would usually pick up / drop off. Parents are responsible for the children they are accompanying in these sessions.

Available sessions and sign up link are as follows:

- Every Friday between 8:10 and 8:40 at the **First School** (from 28th May).

- Every Tuesday between 15:10 and 16:10 at the **Junior School** (from 25th May).

You can also access these links from the Science page on the Beaver Road website.

The sessions are limited to up to 6 adults with their children to make social distancing possible to keep our families as safe as possible.

It would be much appreciated if any parents could bring a trowel, fork, spade or even loan us a wheelbarrow for a period of time. These are not essential, but we do have a limited stock of resources at this present time.

Yours sincerely,

Jason Smart and Nia Horan
(Science lead teachers)
