Article 27 (adequate standard of living) Every child has the right to a standard of living that is good enough to meet their physical and social needs and support their development. Governments must help families who cannot afford to provide this.

Monday 6th February 2023

Dear Parents and Carers,

We are delighted to announce that due to the fantastic efforts of the children and the most generous support from all of you that have donated so far for **Number Day**, we have smashed our target for fundraising for the NSPCC! As mentioned before, £4 can connect a vulnerable child to Childline. THANK YOU- we couldn't have done this without you! If you still need to sponsor, please use the link:
