## Didsbury Festival and Parade - Saturday 10<sup>th</sup> June

We look forward to participating in the Didsbury Festival parade this Saturday 10<sup>th</sup> June. Children and parents from all year groups are welcome to join in. Everyone taking part will meet at St Catherine's Primary School at 10:30am. The parade starts at 11am and finishes in Didsbury Park at around 11:30am.

The theme this year is the King's Coronation and our entry is called 'The Royal Procession' and the dress code is kings or queens and or gold/yellow. We would love you to join us with your children for the procession and look forward to seeing you there.

## Manchester Pupil Parliament – Thursday 22<sup>nd</sup> June

On 22<sup>nd</sup> June, schools from the Manchester Pupil Parliament collective will be joining together for the 'Children of Manchester Safeguarding Conference'. This will be an evaluative session through which our Beaver Road Parliamentarians will co-present with their 'parliament colleagues' from St Mary's, The Willows, St Catherine's and Haverley Hey Schools. Last summer, Manchester Safeguarding Partnership, including representatives from police, health, youth justice and community safety, consulted with the children to create a plan of action to

address some of the challenges and issues around feeling safe, inclusion and mental health. We can't wait to return to talk about the progress we have made and to introduce a new mental health and wellbeing toolkit resource, created by the children. With Manchester Healthy Schools as our vehicle, our resource will be shared with all young people across the city.

## Year 6 Enterprise Market Fair - Thursday 6<sup>th</sup> July

Our Enterprise Business programme introduces our Year 6 budding entrepreneurs setting up their fares to distribute to customers on Thursday 6<sup>th</sup> July after school. The products will be showcased to children on **Friday 30<sup>th</sup> June** so **pre orders** can be made: please ensure that your child **has coins up to £5** in order for them to choose from the range of 18 products. Thank you to our Business Angel panel

(Kieran, Eddie, Lorna and Richard) for supporting our KS2 life skills programme once again this year.

## Sports Day week beginning 10<sup>th</sup> July

## Portico Sadie Massey Awards update from Mrs Mour

We are delighted to announce that two of our children have once again been recognised in the annual Portico Sadie Massey Awards competition! **Daisy Johnson** in Year 5 has been highly commended in the KS2 Reading competition for her incredible book review. **Maariya Siddiqui** in Year 5 has also received a special mention in this year's Portico Awards.

We will be celebrating the children's achievements in a special prize-giving ceremony taking place later this month at the Portico Library. We are delighted with the quality of our entries this year and appreciate how hard all of the children worked. Thank you to everyone who entered and were inspired to write for the Portico Competition this year.

## Parenting and Mental Health

Many parents and carers with mental health problems can care for their children in a safe and loving way. But sometimes, you might need extra support from family, friends or healthcare professionals to get you through difficult times. There's no shame in needing extra help as a parent or carer, whatever the reasons for it. For lots of practical information and useful resources linking to further support and guidance, please follow the link below.

## E-safety: Online Gaming

As part of their #WakeUpWednesday Campaign, [National Online Safety](#) (NOS) provide useful one-page guides about online safety. They are designed to empower parents and carers with the information they need to hold informed and age-appropriate conversations about online safety. Given its popularity with primary age children, despite its PEGI 12 age rating, we have chosen to start by signposting their information sheet on Fortnite. One in four pre-teens report to have played the game, which claims to have 400 million devotees worldwide – around 25 million of whom play it every day.

Click [here](#) to view 'A recent guide What Parents & Carers Need to Know about Fortnite', produced by NOS, which can also be found at the bottom of the school's [e-Safety page](#). In the guide, you will find information on a number of potential risks such as compulsive playing, audio chat with other gamers and in-game spending, which we hope you will find useful. In the same location, you can also find a more general parent guide to [looking after wellbeing online](#), which includes some good advice for all.

If you have any further questions or queries about anything this half term, please do not hesitate to contact us via the school office.

Best wishes,

Mrs Liz Hardy  
Executive Headteacher

**Article 22** (refugee children): *If a child is seeking refuge or has refugee status, governments must provide them with appropriate protection and assistance to help them enjoy all the rights in the Convention. Governments must help refugee children who are separated from their parents to be reunited with them.*

The 20<sup>th</sup> June is the World Day of Refugees. This is an international day designated by the United Nations to honour refugees around the globe and celebrates the strength and courage of people who have been forced to flee their home country to escape conflict or persecution.
