Wednesday 30th June 2021

Dear Parents and Carers,

As we prepare for transition of the children from their current year group to their new one in September, we are pleased to inform you about the year group teaching teams and class allocations for next year. Please see the tables below for information about your child's class teacher and year group teaching teams from September 2021. There are teaching assistant interviews taking place next week for the vacancies in the identified year groups. We will communicate with you about who has been appointed to these roles as soon as possible.

As part of our transition arrangements this year, there will be transition booklets introducing you to your child's new teacher and organisational matters relating to your child's new year group. These will be circulated to you next Wednesday and will also be available on your child's current year group page under 'files to download'.

Due to the current rise of Covid-19 cases in our school community, we have had to reconsider the organisation of transition day on Wednesday 7th July. In order to ensure the safest environment possible in school, unfortunately children will not be moving to their new class environment on this day. Instead, your child's new teacher will visit your child's current classroom. The teachers will wear a face covering and remain as socially distanced as possible. All teaching assistants will stay within their current classes.

As a result of these changes and in order to introduce new staff joining our teaching team to parents and carers, each year group will share a short film of the year group team and environment the children are moving to. These will be shared with the children and also made available on our school website under our school tour page (at the top left of the website) from Monday 19th July.

Depending on the Covid-19 regulations and guidance in place for schools from September 2021, we hope to plan an opportunity as soon as possible to welcome parents and carers back into our school environment and to meet your child's new teacher in person.

Mrs L D'Arcy	Early Career Teachers cover teacher
Staff on maternity leave from September 2021	
Mrs S Reding, Miss K O'Brien, Miss K Marrett, Mrs L Summersgill, Mrs C Moran, Miss K Fitzpatrick	

We are also delighted to confirm that from September 2021 we are introducing Whole School House Teams. You may have already heard from your children about their involvement in deciding the names and imagery for each house, which are yet to be confirmed. In September, children will be allocated a house that they will remain part of for the duration of their time at Beaver Road. There will be five house teams and six children from each class will be allocated to a different house. The vision for the house teams is to unite the whole school community further so that children within each year group and across the school have the opportunity to mix in a variety of ways. They will also bring additional enrichment opportunities for the children. These may include assemblies, special events, sports days, competitions, rewards and buddying. You will be hearing more about the details and organisation of these house teams in September.

We look forward to the next academic year and working together with you to support your children in circumstances that we all hope are less restricted than they are currently! If you have any other questions or queries, please contact your child's current teacher, Mrs Byrne, Mr Davenport or myself through the school office.

Best wishes,

Mrs Liz Hardy
Executive Headteacher

Article 3 (Best interests of the child) *When adults make decisions, they should think about how their decisions will affect children. All adults should do what is best for children. Governments should make sure children are protected and looked after by their parents, or by other people when this is needed.*
