The meetings will last approximately 30 minutes. These are an opportunity for you to receive information about your child's year group curriculum and the ways you can support their learning at home.

After the meeting, which will be delivered by the teachers in each year group, the PowerPoints will be shared on the relevant year group's class page. However, if you can

attend the online meeting, please do, as we will have the chat option open for you to ask questions of the year group team about the curriculum.

To avoid technical issues which could prevent you from joining the meeting, you can join a test meeting by following this link <https://zoom.us/test>

We look forward to seeing you all on Wednesday.

Best wishes,

Ruth Byrne
Head of School
