PD	Start taking part in some group activities which they make up for themselves, or in teams. Increasingly be able to use and remember sequences and patterns of movements which are related to music and rhythm.
Specific Areas	

Literacy	<p>Understand the five key concepts about print: • print has meaning • print can have different purposes • we read English text from left to right and from top to bottom • the names of the different parts of a book • page sequencing</p> <p>Develop their phonological awareness, so that they can: • spot and suggest rhymes • count or clap syllables in a word • recognise words with the same initial sound, such as money and mother</p>
Maths	Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5.
UW	<p>Show interest in different occupations.</p> <p>Explore how things work.</p>
EAD	<p>Explore different materials freely, to develop their ideas about how to use them and what to make. Develop their own ideas and then decide which materials to use to express them. Join different materials and explore different textures.</p> <p>Remember and sing entire songs. Sing the pitch of a tone sung by another person (‘pitch match’). Sing the melodic shape (moving melody, such as up and down, down and up) of familiar songs. Create their own songs or improvise a song around one they know.</p>
