Dear Parents and Carers of Nursery children,

We hope you have enjoyed using Tapestry whilst your child has been in Nursery and you have been able to access your child's report. As Tapestry is a piece of software that we use to reference your child's learning against the EYFS areas of learning, we will continue to use this whilst your child is in Reception next year.

For those children who will no longer be attending Beaver Road in September, we will need to de-activate your accounts by Friday 10th September. Therefore, we need all parents and carers to download their child's learning journey. Those families who will be with us in Reception are also welcome to download their child's learning journey. However, you will continue to use Tapestry next year.

To learn how to download your child's learning journey, please follow the instructions below or watch this short Youtube video

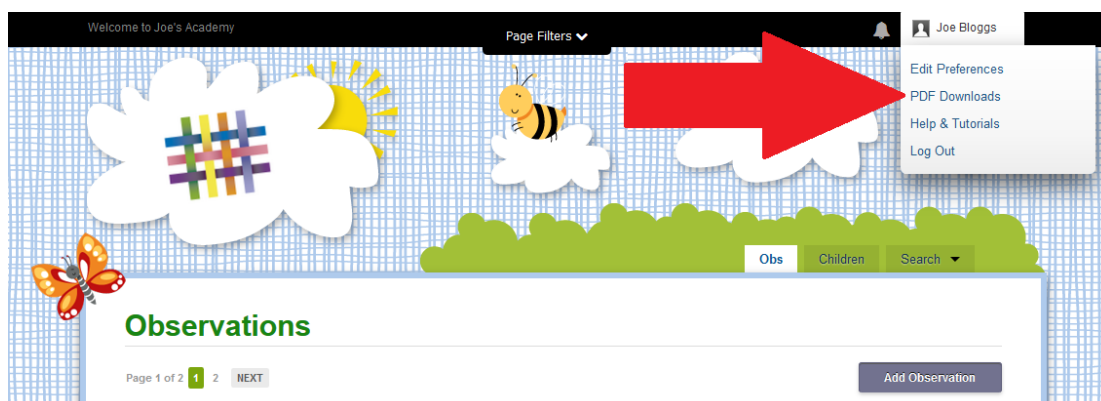

[Downloading your child's learning journey](#)

Please note that you can only download your child's learning journey when the class teacher has exported it. Downloads are only available for 21 days after being created, so don't delay. If you are having difficulties downloading your child's learning journey, please email admin@brps.net with the subject 'Tapestry download issues'. Please note, all learning journey download issues will be addressed in the first week back in the Autumn term.

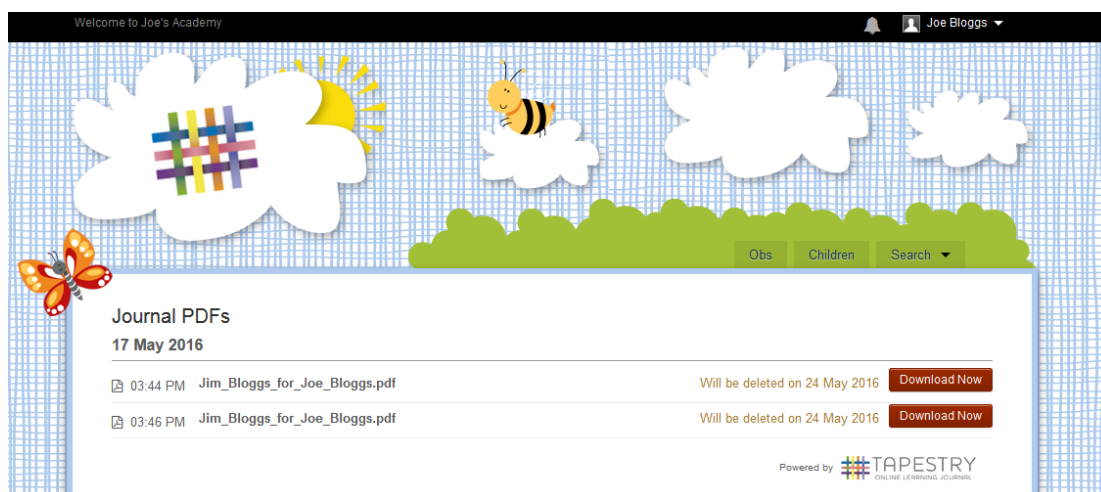

Step 1: Log into Tapestry using the web browser version through our login page at <http://eylj.org>

Please note that PDF downloads are NOT available on the app version of Tapestry, and that you may need to download a special app to view PDFs on a mobile or tablet device.

Step 2: Click on your username at the top right of the screen and select 'PDF Downloads' from the dropdown list. If the PDF Downloads option is not visible please contact admin@brps.net subject 'Tapestry download issues'.

Step 3: on the PDF downloads page you should see all downloads you have available. Click the red **Download Now** button to download your PDF. Make sure you save it somewhere safe, and if possible save it to permanent media off your PC, marking it so you will be able to find it in the future. Remember you will not be able to access your tapestry account once your account has been de-activated.

I hope you all have a restful summer holidays and are looking forward to starting reception in which ever school setting you have chosen in September.

Best wishes,

R. Byrne

Deputy Headteacher
