

Supporting your Child's Transition into Year 1...

A Guide for Parents

This booklet is designed to support parents who have a child due to start Year One in September.

It identifies the different aspects of Personal, Social and Emotional development within the Early

Years Curriculum. Through planned activities, some incorporated within your daily routine, you can support your child to be ready for the return to school.

Working in partnership with parents to support your child's learning and development...

Self Confidence and Self Awareness

Learning Intentions:

□ Confident to try new activities □ Confident to speak in a familiar group, talking about their ideas and will choose resources they need **Links to Making Relationships** □ Plays co-operatively, taking turns □ Takes account of one another's' ideas about how to organise an activity

Linked learning opportunities	Activities to support development	What will you need?
 Communication & Language: Use past, present and future forms accurately when talking about events that have happened or are about to happen in the future Beginning of Y1: Begin to use a range 	 Build an obstacle course Set the challenge of only using 5 pieces of equipment Take turns to set up different parts of the course and explain what action is needed Set each other a further challenge, to remove a piece of equipment and replace with something more difficult, explaining choice Extension: □ Write a simple set of instructions together on how to complete their course □ Record the time taken to complete the course and make comparisons 	Garden toys – cones, balls, skipping ropes, hoops, racquets, stopwatch, paper, pencils
of vocabulary to add information Physical Development: • Show good control and coordination in large and small movements • Uses a pencil to form recognisable letters,	 Build a den / model Agree what to build Agree what resources to use Share and try different ideas Discuss and agree favourite ideas Extension: Write a sign welcoming visitor to den / view model Write a caption to explain what the model is Write a set of instructions for someone else to use to make the same den/model 	Large pieces of material or bed sheet, pegs, post-its
 most of which are correctly formed Beginning of Y1: Begin to write on lines and control letter size Literacy: Write simple sentences which can be read by themselves and others Mathematics: 	 Our board game This activity can start by playing favourite board game Provide a blank game board frame or use an existing game board Decide what type of game it is going to be. Is it going to be based on numbers, phonics, reading? Agree the theme of the game - the characters / setting Agree the rules Try, test and adapt Extension: Write a simple set of instructions together of how to play their game 	Blank game board or existing game board, dice, characters (small figures) or counters, paper
 Count reliably with numbers from 1 to 20 Beginning of Y1: Begin to read and write numbers from 1 to 20 in digits and words Use everyday language to talk about time / distance Beginning of Y1: Measure time / distance 	 Aeroplane challenge This activity can start by looking at different aeroplanes on the internet and in books Set the challenge of working together to design and make a paper aeroplane Together talk through and share ideas Test different designs to see which will travel the furthest Extension: □ Fly aeroplanes and measure distance using footsteps / time 	Paper

Self Confidence and Self Awareness

Learning Intentions:

□ Confident to try new activities □ Confident to speak in a familiar group, talking about their ideas and will choose resources they need **Links to Making Relationships** □ Plays co-operatively, taking turns □ Takes account of one another's' ideas about how to organise an activity

Linked learning opportunities	Activities to support development	What will you need?
Communication & Language: Use past, present and future forms	 Playdough factory Provide a list of instructions (pictures and words) to make own non—cook playdough Discuss how to organise the activity – (i) where? (ii) 	No cook PL PDUGH Recipe! Made in 5 minutest
accurately when talking about events that have happened or are about to happen in the future Beginning of Y1:	 with who? (iii) when? Extension: □Talk about and write a list of things that can be made with the playdough □ Organise a Playdough Competition – making a model in a given time. Vote for favourite model. 	theimaginationtree.com/best- ever-no-cook-play-dough- recipe/
Begin to use a range of vocabulary to add	Creative cookery	
information Physical Development:	Together agree what to make for snack. Start by looking at cookery books / sharing favourite foods / online research - Decide what to make e.g.	
 Show good control and coordination in large and small movements 	 Pizza: Create different toppings, some favourites and some new Fruit kebabs: Try different fruit 	
 Use a pencil to form recognisable letters, most of which are correctly formed 	 Write a shopping list Decide who is going to do what Take turns taking photographs of each part of the process 	www.bbcgoodfood.com/recipes /collection/kids-cooking
 Beginning of Y1: Begin to write on lines and control letter size 	Extension: □ Make own recipe card using photographs and adding instructions □ Make snack invitations	
Literacy:	Gardening challenge	Seeds, soil, watering can, pot or seed tray, paper and
 Can read and understand simple sentences 	 Provide a range of seed packets Together make a list of gardening equipment that is needed to plant the seeds 	pencils
 Write simple sentences which can be read by themselves and 	 Make a weekly calendar identifying jobs to keep the seeds alive Keep a seed diary Extension: Record the growth of the seeds 	
others	Nature art	
Mathematics:	 Provide child with a container to collect items on a 	
 Use everyday language to talk about distance, size and 	scavenger hunt - <i>twigs, leaves, stones, pine cones, fallen petals etc.</i>	
height Beginning of Y1: 	- Share ideas on what to make with the natural objects. Encourage turn taking.	and the second s
Measure distance and height using non- standard units.	- Create using materials on piece of paper / inside an empty frame. Talk through creation and why certain resources where used	

Managing Feelings and Behaviour

Learning Intentions:

□ Know that some behaviour is unacceptable □ Understand and follow rules □ Adjust behaviour to different situations

situations	situations				
Linked learning opportunities	Activities to support development	What will you need?			
Communication & Language: They use past, present and future forms accurately when talking about events that have happened or are about to happen in the	 I can keep myself safe Before events talk through how to keep safe e.g. Walking to school / the dog Riding bike / scooter (including use of helmet) Preparing / cooking snack Extension: □ Create a keep safe poster Oh no 				
future	 Use stories to explore how different characters follow or break rules and the effects these behaviour choices have on others, such as - The Station Mouse by Meg McLaren What if Everybody did that? by Ellen Javernick The Rainbow Fish by Marcus Pfister Extension: Create own story where the main character makes the right choice	STATION MOUSE			
 most of which are correctly formed Beginning of Y1: Begin to write on lines and control letter size. Literacy: Can read and understand simple sentences Beginning of Y1: Begin to describe the main events in simple stories they have read Write simple 	 What do I need to do? Use experiences outside of the home to discuss and model how behaviour needs to be adapted according to the situation, for example Visiting the library Read the story: Library Lion by Michelle Knudsen Visiting the doctors or dentist Visiting the cinema Going to visit a friend for a play date Virtual tours online can develop understanding Extension: Create own rules poster Write event in diary Make a map of journey 	Selection of picture books (local libraries have a great range), video clips			
 Write simple sentences which can be read by themselves and others Mathematics: Use everyday language to talk about distance / time Beginning of Y1: Begin to measure time / distance 	 My day Together agree a routine e.g. Bedtime routine Time to go to bed Time to get up Home learning routine Extension: □ Create own daily schedule with times and expectations 	$ \begin{array}{c} 11 \\ 12 \\ $			

Making Relationships

Learning Intentions:

□ Shows sensitivity to others' needs and feelings Links to Managing Feelings and Behaviour □ Talks about how they and others show feelings

Linked learning opportunities	Activities to support development	What will you need?
 Communication & Language: They use past, present and future forms accurately when talking about events that have happened or are about to happen in the future Beginning of Y1: Begin to use a range 	 Story time Use different picture books to explore feelings of characters and own The Feeling Flower by Lean Dakroub Acknowledges how our feelings can change throughout the day Perfectly Norman by Tom Percival Being different, sad Extension: □ Together use puppets to act out story / explore own feelings □ Draw character / own feelings □ Write a diary of feelings 	Selection of picture books (local libraries have a great range), soft toys, puppets, small figures/characters, arts and craft resources
of vocabulary to add information. Physical Development: Handle tools effectively, including pencils for writing/drawing Use a pencil to form	 Films Watch a film together e.g. Inside Out Discuss the different emotions of the characters Begin to link character emotions to own Extension: Together use puppets to act out story / explore own feelings Draw characters and write a description Write a list of 'happiness' events/experiences 	FEAR DISCUST CONTRACTOR SADNESS CONTRACTOR CONTRACTOR
 recognisable letters, most of which are correctly formed Beginning of Y1: Begin to write on lines and control letter size. Literacy: 	 Mindfulness Activities Explore different mindfulness activities that will raise your child's awareness of their own thoughts and feelings, such as breathing techniques, yoga, blowing bubbles, art work or colouring Listening to my Body by Gabi Garcia (An introductory book to Mindfulness for children) 	A range of resources can be accessed online
 Can read and understand simple sentences Beginning of Y1: Begin to describe the main events in simple stories they have read Write simple sentences which can be read by themselves and 	 Wheel of Choice Discuss that conflict and disagreements can occur and how a wheel of choice can help to think of a solution Model to your child how the wheel can be used Reward good choices As the child becomes more familiar with the solutions, they may no longer need the visual of the wheel to support them. 	Wheel of Choice
others	 Problem-solving sticks Introduce child to jar with lollypop sticks As solutions are agreed to solve conflict / disagreements write them on a stick and put it back in the jar Support your child to use the sticks independently 	PICK-A STIC

By the <u>end</u> of the EYFS / Reception, it is expected that your child will achieve the following three Early Learning Goals in Personal, Social and Emotional Development:

CURRENT: EARLY LEARNING GOALS

ELG 6: Self Confidence & Self Awareness

Children are confident to try new activities, and to say why they like some activities more than others. They are confident to speak in a familiar group, will talk about their ideas, and will choose the resources they need for their chosen activities. They say when they do or don't need help.

ELG 7: Managing Feelings & Behaviour

Children talk about how they and others show feelings, talk about their own and others' behaviour, and its consequences, and know that some behaviour is unacceptable. They work as part of a group or class, and understand and follow rules. They adjust their behaviour to different situations, and take changes of routine in their stride.

ELG 8: Making Relationships

Children play co-operatively, taking turns with others. They take account of one another's ideas about how to organise their activity. They show sensitivity to others' needs and feelings, and form positive relationships with adults and other children.

EARLY ADOPTER: EARLY LEARNING GOALS

ELG 3: Self-Regulation

Children at the expected level of development will:

- Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly;
- Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate;
- Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.

ELG 4: Managing Self

Children at the expected level of development will:

- Be confident to try new activities and show independence, resilience and perseverance in the face of challenge;
- Explain the reasons for rules, know right from wrong and try to behave accordingly;
- Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

ELG 5: Building Relationships

Children at the expected level of development will:

- Work and play cooperatively and take turns with others;
- Form positive attachments to adults and friendships with peers;
- Show sensitivity to their own and to others' needs.
