## CONNECT COFFEE MORNINGS

Dear Parents and Carers,

Coffee mornings are a great way for parents and carers to meet and share experiences. At Beaver Road, we would like to offer you a safe and caring space where you can share your worries and concerns as well as your child's strengths and successes. We want parents and carers to feel supported and listened to and to have the opportunities to meet other parents and carers who may have had similar experiences.

We are holding our Connect Coffee Mornings for parents and carers who have children with special educational needs or for parents who have concerns about their child's development. We would like to provide regular opportunities for you to come together in a welcoming space and enjoy a coffee and a chat. It will also be an opportunity to find out more about the support that Beaver Road can offer and the role of other agencies in providing support for your child.

As Friday is the Macmillan coffee morning you are welcome to bring or bake a cake or donate to the Macmillan fundraiser if you would like to however, please do not feel obliged to do so.

The first of our Connect Coffee Mornings will be held at the First School on **Tuesday 21st September 9:15-10:15**. Please come to the main school entrance on arrival.

The second will be at the Junior School on **Wednesday 22<sup>nd</sup> September 9:00-10:00**. Please come to the main school entrance.

Governments must support parents by creating support services for children and giving parents the help they need to raise their children.
