

Supporting your Child's Transition into Nursery...

A Guide for Parents

This booklet is designed to support parents who have a child due to start nursery in September. It identifies the different aspects of Personal, Social and Emotional development within the Early Years Curriculum. Through planned activities, some incorporated within your daily routine, you can support your child to be ready for school.

Working in partnership with parents to support your child's learning and development...

Making / Building Relationships

Learning Intentions:

□ Interested and start to join in other's play □ Seek out others to share experiences □ Keep play going by responding to what others are saying or doing

responding to what others are saying or doing				
Linked learning opportunities	Activities to support development	What you will need?		
Communication & Language Respond to simple instructions Use language to share thoughts Use simple sentences Physical Development: Move with confidence Can kick/ catch a large ball Begin to show preference for dominant hand Use one-handed tools and equipment Begin to be independent in self-care	Hide and seek Family members take turns to hide - Seeker has a given task to complete before seeking e.g. putting on shoes / coat hiding - Hider has to say where they were hiding * Child to be partnered with another family member to learn how to play the game and develop confidence Build a den / model Family member decides to build a den / model and encourages child to join in: - Asking them to collect different resources - To help decide what to build - To help decide the best materials to use - To work together giving each other instructions e.g. can you put the blue peg	Large pieces of material or bed sheet, pegs, construction kit, paper/post-its		
	Extension: Write a label on the den / model e.g. Ben's Den / Ben's car Write 2 or 3 names on post-its/pieces of paper for the child to find theirs and label den/model Ball games Create a game rolling or kicking a large ball to each other	Ali Sam Ben Large ball		
	* Start close together and gradually make the gap wider Encourage child to decide the - Ball action rolling / kicking - Who is going to be the thrower / kicker Extension: □ Roll the ball with one hand □ Roll/throw the ball at a target □ Together count how many rolls/throws			
	Drawing Create a large-scale drawing with chunky chalks or paintbrushes and water on the ground/large pieces of paper. Talk through what you are doing. Encourage the child to: Draw self / family member / object of interest Talk about what they have drawn Draw a picture together Extension: Write a label for the drawing – adult scribing	Chalk, DIY size paint brushes		
	Play a game Snap	Snap/pairs games		

Pairs: turning two cards over at any one time and

finding the ones that match

Making / Building Relationships

Learning Intentions:

□ Show affection and concern for other people who are special to them □ Demonstrate friendly behaviour

Linked learning Activities to support development What you will need? opportunities Communication & Photographs – in photo album Family photographs ... on phone Language Share and talk through a small collection of family / friend Learn new words photographs. Use language to Encourage your child to: share thoughts Name each family member / friend Use simple Describe each family member e.g. Grandma has a sentences hat on / Dad has brown hair Say what they like about different family members **Physical Development:** Choose favourite photograph and say why Begin to show * Some activities will need to be modelled preference for dominant hand A gift ... Arts and craft resources Use one-handed Sing Happy Birthday to family member using tools and equipment telephone / FaceTime / Zoom ... Together create a picture or card for a family member / friend for a special occasion e.g. for birthday, to say 'thank you' ... Complete a 'special job' e.g. pick up the leaves Extension: Together label picture – adult scribing Talk time ... Computer, iPad, smart phone In person, on the telephone, online, share ... Home news Favourite story Prompts available to Completed activity support talk e.g. photograph of special

Learning Intentions:

□ To form a special relationship with another child □ Demonstrate friendly behaviour

Communication & Language

- Learn new words
- Use language to share thoughts
- Use simple sentences

Play-dates ...

Arrange a play date with another child who may be starting at the same nursery

- * Begin with short visits and gradually extend
- ** On visits to the park/playground encourage turn taking on equipment, such as on the swings and see-saw

to look back at talk about. This can include photographs and drawings.

Self-Confidence and Self-Awareness / Managing Self

Learning Intentions:

□ To express own preferences and interests □ Select and use activities and resources with help □ Enjoy responsibility of carry out small tasks □ Welcome praise

Linked learning opportunities	Activities to support development	What you will need?
Communication & Language Learn new words Use language to share thoughts Use simple sentences Physical	Learn new words Use language to share thoughts Use simple sentences Encourage your child to help prepare snack: - Ask them to choose what they would like to eat and dring the sentences in the sentence of the share thoughts in giving a couple of choices. - Support them to cut the fruit / butter crackers - Say the foods they like: I like apples because Extension: Take a photograph of what is eaten each day	Selection of healthy snack options, utensils that your child can use
 Begin to show preference for dominant hand Use one-handed tools and equipment Move with confidence 	Family meal time Encourage your child to: - Help you set the table with a place mat silhouette - Set the table by themselves using place mat silhouette - Set the table by themselves with no place mat silhouette Extension: Add names on to place mats. Start with photograph and name.	
	My favourite food Encourage your child to: - Try one new food each day - Make food suggestions for next meal Extension: Count how many different foods are on the plate.	
	Picnic time Encourage your child to - Decide where to have the picnic - What to take on the picnic * Use photographs as a prompt if needed Extension: Together write a picnic list – parent scribing	Picnic rug, containers, food, teddy bear to take with them
	Daily exercise Ask your child to choose - Where to go e.g. park / shops - How to travel e.g. walk, use scooter/bike, go on the bus, in the car * Use photographs as a prompt if needed	
	I Like Encourage your child to name their favourite toy e.g. cars - Together decide what you can make for it e.g. garage - Go to the library and find books on minibeasts	A Put true exaction (etc. CARS Courte (etc.) Emma Jacobs

Managing Feelings and Behaviour

/ Self-Regulation

Learning Intentions:

☐ Can express own feelings such as sad, happy, cross, scared, worried

Linked learning opportunities	Activities to support development	What you will need?		
Communication & Language Listen to stories with increasing attention and recall Understand who, what, where in simple questions	Story time Use stories at bedtime to explore different feelings e.g. Owl Babies by Martin Waddell Worried, scared, sad, happy, attachment The Bad Tempered Ladybird by Eric Carle Grumpy Zog by Julia Donaldson Proud	Selection of picture books (local libraries have a great range), soft toys, puppets, small figures/characters		
 Learn new words Use language to share thoughts Use simple sentences 	 Today I am Adults/siblings model and express feelings e.g. I feel sad today because it is raining. Encourage child to share their own feelings and give reasons why. Provide time to reflect after an event which may have generated a strong emotion. Use \(\preceq\) feelings images \(\preceq\) puppets / favourite soft toy for children to express feelings 	How are you feeling? Apy Local Loc		
Learning Intentions				

Learning Intentions:

☐ Shows understanding and cooperate with some boundaries and routines

Communication & Language

- Respond to simple instructions
- Use language to share thoughts
- Use simple sentences

Physical Development:

- Use one-handed tools and equipment
- Help with clothing
- Begin to be independent in self-care

Daily routines ...

Support and encourage your child to follow simple instructions which become part of the daily routine e.g.

- Put pyjamas under pillow
- Tidy away toys before meal time
- Not to leave the table early at meal times

Special weekly jobs ...

Encourage child to help someone else in the family e.g.

- Help older sibling fill up dog water bowl
- Help younger sibling tidy away toys

I can be safe ...

Encourage child to be safe in the home e.g.

- Not to run in the house
- Put shoes on to go outside

Looking after myself ...

Support your child to be independent e.g.

- Going to the toilet
- Washing hands
- Brushing teeth

Sing songs or use a timer to

By the end of EYFS, Reception, it has been <u>proposed</u> that your child will need to achieve the following three Early Learning Goals in Personal, Social and Emotional Development:

ELG 3: Self-Regulation

- Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly;
- Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate;
- Give focused attention to what the teacher says, responding appropriately even when engaged in an activity, and show an ability to follow instructions involving several ideas or actions.

ELG 4: Managing Self

- Be confident to try new activities and show independence, resilience and perseverance in the face of challenge;
- Explain the reasons for rules, know right from wrong and try to behave accordingly;
- Manage their own basic hygiene and personal needs, including dressing and going to the toilet and understanding the importance of healthy food choices.

ELG 5: Building Relationships

- Work and play cooperatively and take turns with others;
- Form positive attachments to adults and friendships with peers;
- Show sensitively to their own and others' needs.
