

Beaver Road's School and Family Agreement

Our School and Family Agreement is a statement explaining the School's Aims, Values, Policies and Procedures, its responsibilities towards its pupils, the responsibilities of the pupil's parents and carers, and what's expected of pupils.

By accepting the offer of your place at Beaver Road Primary School, we expect you to agree to our School and Family agreement and the expectations set out below. However, any parents who would like to discuss the contents of our School and Family Agreement further should speak with their child's class teacher in the first instance.

At Beaver Road we value each pupil as an individual and aim to give all pupils every opportunity to realise their full physical, mental, spiritual, moral and social potential. We believe that a positive partnership between the school, parents and pupils is essential if we are to achieve this aim.

The aim of our School and Family Agreement is to encourage consistency, equality and fairness in all matters pertaining to the school. This can be done most effectively when all staff, parents and pupils understand their responsibilities and work together towards the same goals.

We require all parents and pupils to work within the expectations of this School and Family agreement and maintain an awareness that advice from the DfE states that refusal to adhere to the school's Family and School agreement does not provide exemption for any pupils from the expectations outlined by the school.
