

The importance of reading...

Ofsted strategy 2022-27 'A good early education, particularly in reading, sets the foundation for later success.'

It is universally recognised that...

Children who read for enjoyment, develop a rich vocabulary, have increased general knowledge and understanding of other cultures.

Being a competent reader also supports children in accessing learning across the whole curriculum.

Reading for pleasure can promote better health and wellbeing, aids in building social connections and relationships with others and is associated with a range of factors that help increase the chances of social mobility.

Our pedagogy and approach is supported by evidence...

"THERE ARE MANY PICTURE BOOKS WHICH YOUNG CHILDREN APPEAR TO 'INHABIT'. THEY 'BECOME' THE BOOK. THIS IS SO CRUCIAL IN THE PROCESS OF HOW CHILDREN LEARN WHAT IT MEANS TO 'READ' - IN THE FULLEST SENSE OF THE WORD"
