

WONDER WORLD DRAMA

Hello!

My name is Bethan Cunningham and I am a professional actress, dancer singer with 30 years teaching experience and I want to tell you a little about the after school drama clubs on offer at Beaver Road.

Drama is wonderful for developing confidence and communication skills within a fun and encouraging environment. It is so beneficial to young children and time and again I have parents coming back telling me what a difference they have seen in their children's confidence. My aim is not to create budding performers just to help the children become the best of themselves, however, if anyone does get a taste for performing that is equally wonderful and I will help them develop the skills and discipline to shine!

At the end of most terms we have an informal performance of short plays that we have devised in the class for family and friends. It is great for you to see how your little ones are getting on and fantastic for them to stand up in front of an audience, again, within an encouraging environment.

Classes are as follows:

Reception & Year 1 Monday 3.20-4.30 £5 per session
Reception & Year 1 Wednesday 3.20-4.30 £5 per session
Year 2 & 3 Friday 3.20-4.30 £5 per session
Years 4-6 Thursday 3.00-4.45 £7 per session
