Dear Parents / Carers,

As the Coronavirus pandemic enters a different stage the Barlow Medical Centre will be seeing far fewer people face to face in the surgery. The car park next to the Junior School will therefore be much quieter.

We will however begin the process of assessing patients who are exhibiting signs of infection in their cars in the car park, as per Government advice.

This means that we will be wearing personal protective equipment outside. We are hoping to do this at the front of the building where this will be less visible from the school in order to not alarm the children. This relies on us having easy and total access to the car park.

It is more important than ever parents adhere to the school's policy for picking up and dropping off children.

Please do not park in the practice car park when collecting children under any circumstances, for the safety of all of Our Community.

We thank you for your support at this unprecedented time.

Yours faithfully,

Doug Jeffrey on behalf of Barlow Medical Centre

GP Partners: Dr Douglas Jeffrey, Dr Damian Allcock, Dr Eidn Mahmoudzadeh, Dr Toby Cartwright, Dr Amy Ho
