Dear Parents and Carers,

We hope you have enjoyed the bank holiday weekend and VE day celebrations.

We wanted to write to you following the Prime Minister's announcement yesterday evening. We, like you, were keen to have some clarity around any phased reopening of schools so that we can begin to make plans. The prime minister referred to a possible return to school for Reception, Year 1 and Year 6 children from June 1<sup>st</sup> as a **conditional** plan, based on the new COVID alert system and 5 tests for easing the lockdown being met.

Please be reassured that the leadership team and I will be working hard to consider this information in order to plan for next steps. We await further information and guidance from the Department for Education and the Local Authority. We will continue to communicate with any updated information and details as soon as we can, in order for you to make any necessary changes to your current arrangements.

It goes without saying that the safety and well being of your children and the Beaver Road staff team will be paramount in any plans we make.

Thank you for your patience and understanding during this uncertain time.

Take care and stay safe,

*Liz Hardy and the Senior Leadership Team*
