Dear Parents and Carers,

Please see below, a message from our Heads of House for **Dragon** at First School and **Centaur** at Junior School:

Dear **First School Dragons**,

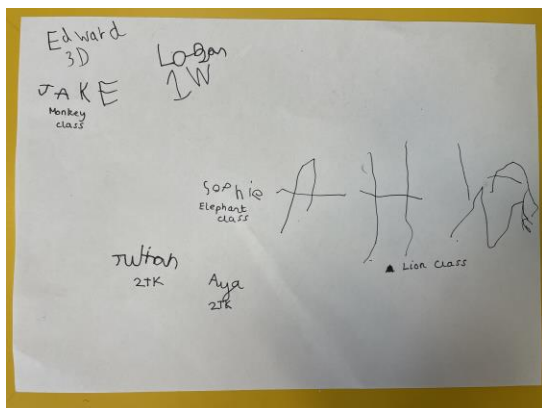

Hi everyone, we are the Heads of House for Dragon at the First School. Our names are Edward, Julian, Aya, Logan, Ahmad, Sophie and Jake.

Has anyone spotted which flag is flying outside of the First School? It's our Dragon flag because we won the most shields before Easter.

This means that **Dragons at First School** can wear our house colour to school on **Friday 6<sup>th</sup> May 2022**. Our house colour is **light blue**.

Thank you everyone for working together to get the most shields. Maybe we can do it again this term!

Dear *Centaurs*,

Congratulations... We have won the most shields once again!

Getting the most shields is a wonderful achievement and having won twice in one year shows how amazing all Centaur children are! Keep coming into school every day if you can so we can keep our attendance high.

We have been speaking to your teachers and have arranged for all *Centaurs* at the Junior School to have a *Green Day* this Friday, 6<sup>th</sup> May 2022

We are proud once again to see our house flag flying high on the pole.

See you soon and keep up the good work!

Yours sincerely,

Ben, Isaac & Aaryan
