Beaver Road
Didsbury
Manchester
M20 6SX

Thursday 25th June 2020

Dear Parents and Carers,

As we prepare for transition of the children from their current year group to their new one in September, we are pleased to inform you about the year group teaching teams and class allocations for next year. Please see the tables below for information about your child's class teacher and year group teaching teams from September 2020.

We are still waiting for further details and guidance from the DFE about what the expectations of provision in school will be from September. However, at this stage we are planning for all of the children to return and to be working in full class bubbles. We anticipate that these bubbles will socially isolate from each other in the same way that they do now in bubbles of 15 children. We will send confirmation of arrangements and share more detailed information and practical details in due course.

There are many alternative transition and induction activities currently being organised this year in place of the usual transition day, which unfortunately will not be possible due to the current health and safety procedures. These will all be communicated via your year group communications and Seesaw/Tapestry - please look out for them. We are aware that many of you will be concerned about curriculum learning while not all the children have been in school. Please be assured that we are developing specific curriculum plans to address any missed learning and that we will work together with you in the Autumn term to ensure our 'catch up' curriculum planning and provision is as successful as possible.

As you will see, we have a few staffing changes this September. We are delighted to welcome Mrs Hall back from maternity leave this July and Mrs Summersgill from this September. As they return, Mrs D'Arcy will begin her maternity leave in August and we wish her all the very best for the year ahead. We also have some changes to our Head of Year posts. Mrs Shaughnessy has now begun her maternity leave and Mrs Noden has decided to take a break from her leadership role this year due to family reasons. Mrs Noden will be joining the Year 5 team and will job share a class with Mrs Green, who is also an excellent teacher and joined our team earlier this year. We are very pleased to welcome Mrs Willetts to the leadership team, as she becomes Head of Year 3 from this September.

After 10 successful years teaching at Beaver Road, Miss Jackson has decided that this is the year to seek a teaching position much nearer to where she lives in Cheshire West with her young family. She has been appointed to a teaching post in a School in Davenham starting in September, and we wish her every success as she continues her career there. Miss Jackson will be missed by us all, but we would like to take this opportunity to thank her for all she has given to Beaver Road during her time here. Mr Thompson has also made the decision to resign from his Year 4 teaching post this Summer, and we wish him all the best with his next adventures. We are thrilled to welcome Mr Crone to Beaver Road and to our Year 5 team this September. Mr Crone is a very experienced teacher and already feels part of our team as we prepare for September. You will find out more about your child's teachers for next year and communication from them through our remote transition arrangements.

We look forward to welcoming all the children back to school in September and working with you to support and prepare them for the next year of their schooling. For any other questions or queries, please contact your child's current teacher, Mrs Byrne, Mr Davenport or myself through the school office.

Yours sincerely,

Liz Hardy

Headteacher

Year Group Teams and Classes 2020-2021
