Tuesday 28th June 2022

Dear Parents and Carers,

We are pleased to announce for this year's Sports Days, spectators are once again allowed to come along and watch what will be a fantastic event.

After taking your feedback into consideration, we have reviewed and changed the format of Sports Day. Children from Nursery to Year 6 in the same school house will now be competing on the same day, at the same venue. This will allow parents who have more than one child at Beaver Road the opportunity to attend one Sports Day event to see all their children competing, whilst also giving children across the school another opportunity to see peers from their school house.

On the day of your child's Sports Day, please ensure your child comes to school dressed in sportswear ready to compete. Children are encouraged to wear something that is of the same colour of their house which is shown in the table below. Please note, your child will remain in this outfit for the remainder of the school day. Your child will be competing in several different races including: sack, relay, egg & spoon, hurdles, skipping, bean bag and sprint races. There will also be a parent's race and infamous teacher's race bringing the event to an end.

This year, we are asking those parents/carers who intend to join the event to help us walk your children to and from Didsbury Park. If you intend to join the event and are able to help, please drop off your children as you normally would and then remain on the school playgrounds until the classes come straight out after morning registration. For those children who now have Sports Day during the afternoon, please can parents/carers meet classes at the Main Entrance of school at the below times.

Itinerary for Parents/Carers:

- Arrive at school for the normal time, children to be registered in classes dressed in sportswear
- After registration, walk with staff and children to Didsbury Park at the times shown in the table below
- When the event has ended, walk back to school with school staff and children
- At the end of the school day, collect children from school as normal
