Dear Parents and Carers,

Following a review of pedestrian access to and from the Junior School, the school has decided to change the way all visitors enter and leave its grounds.

Due to significantly higher vehicular activity around the main entrance road during the morning drop off period, the school has decided to reverse the current one way pedestrian system. From tomorrow when arriving at school please use the Barlow Medical Centre entrance gate to arrive and exit via the pedestrian gate nearest the barrier entrance.

Thank you for your cooperation
