SAVE THE DATE – Monday 14th December 4.00PM or 6.30PM

E-safety Parent Workshops

Thanks to the support of the PTA, we've been able to invite Kat Howard from E-Safe to present two parent workshops on the 14th December to explore how we can keep our children safe online. Kat Howard has been working in and with schools for over 17 years. During her time as a teacher she taught in primary, secondary and the independent sector. She has consulted with many schools to develop their understanding of Online Safety and supported school leadership teams to implement and embed policies, procedures, training and committees. She is passionate about the importance of online safety in schools and the wider community and supports schools with advice and support on a day to day basis. During this workshop, Kat will give you lots of practical hints, tips and activities to support your children in this environment. The areas we will be exploring themes and trends since lockdown, information advice and guidance, resources to support conversations with children about digital safeguarding.

Best wishes,

R. Byrne

Ruth Byrne
