Dear Parents and Carers,

Vodafone Digital Parenting is a useful guide to help your family live a happy and safe digital life. It gives information about things like 'How to raise a digitally savvy child' and 'Setting digital house rules as a family'.

Unfortunately, we were limited to ordering 500 copies of the magazine, therefore we will be distributing these to our KS1 and KS2 families. Please check your child's school bags over the next couple of days. However, if you would like to look through an online version of the magazine, please follow the link to Vodafone's digital parenting website.

### **E-safety Parent Workshops - Monday 14<sup>th</sup> December 4.00PM or 6.30PM**

As I explained in the last e-safety letter, the PTA have kindly agreed to help pay for Kat Howard from E-safe, who has over 17 years of experience working in and with schools, to present two parent workshops on the 14<sup>th</sup> December to explore how we can keep our children safe online.

We are limited to 100 people per session, therefore we need everyone who wishes to attend the workshop to click on the 'Surveys & Forms' section of the School Spider app to book themselves a place. Once 100 people have signed up for the session, the form will no longer accept any more completions.

1. Click on the time you want to attend.

E-Safety Workshop Monday 14<sup>th</sup> Dec 4.30-5.30 PM or

E-Safety Workshop Monday 14<sup>th</sup> Dec 6.00-7.00 PM

2. Enter the name of the person attending the session as it will appear on zoom. Please ensure the name you enter is accurate otherwise you won't be admitted from the waiting room.

The zoom links for the Workshop you will need to use on the night are below.  
Please ensure you adhere to the following:

- Login 10 minutes before the meeting start time to ensure you are let in to the workshop from the waiting room.
- Login using the name that you registered with on the School Spider app.
- Please do not unmute yourself during the workshop as this can interfere with the sound of the presentation
- Please use the chat function and Kat will be able to respond to your questions either at the end of the workshop or in a further communication from the school.

#### Article 5 (parental guidance and a child's evolving capacities)

Governments must respect the rights and responsibilities of parents and carers to provide guidance and direction to their child as they grow up, so that they fully enjoy their rights. This must be done in a way that recognises the child's increasing capacity to make their own choices.
