

Mathematics Remote Education support

Dear Parents and Carers,

To support you with your amazing efforts, here are some **additional** links to Maths resources that may be of use. On this website page, we also have a breadth of resources for each year group so just scroll down and click on the year group name.

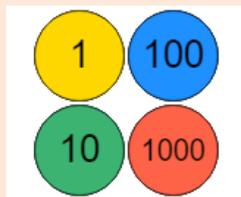

Please don't hesitate to contact me for further support at admin@brps.net

Kind Regards

Natalie Turner (Mathematics Lead and Head of Year 6)

MathsBot.com

Times Tables Rock Stars is an engaging, carefully sequenced programme of daily times tables practice. Children have their own individual log ins:

<https://trockstars.com/>

From the innovators who bring you Times Tables Rock Stars, comes a highly engaging platform for learning to add and subtract... NumBots!

NumBots is all about every child achieving the “triple win” of understanding, recall and fluency in mental addition and subtraction, so that they move from counting to calculating. Access through the Times Tables Rock Stars platform.

A great resource for virtual resources to support you to do Maths

<https://mathsbot.com/manipulativeMenu>

Get your students excited, engaged and excelling at maths!
Adaptive quizzes, innovative games and social competitions

Aligned to the National Curriculum

Real-time analytics with Artificial Intelligence support for differentiation
