BEAVER ROAD M20

Beaver Road Primary School

Beaver Road
Didsbury
Manchester
M20 6SX

Monday 11th January 2021

Dear Parent or Carer,

As most children are currently unable to use our school reading books and to add breadth to the choice of books our children are able to read at home, we are pleased to announce Beaver Road has acquired three different online reading programmes. In doing so, we can ensure children still have the opportunity to practice the essential skill of learning to read as well as allowing you and your child to still enjoy reading together at home. We will be rolling these reading programmes out to families over the next few weeks. The first we would like to share with you is called Bug Club.

What is Bug Club?

Bug Club is a finely-levelled reading scheme, which ensures that all children can find books at exactly the right level for them. If you have access to an internet connection, your child can enjoy reading Bug Club books online.

Each child has a unique homepage and can log into it by following these steps:

1. Go to www.activelearnprimary.co.uk
2. Enter the login details for your child

Username:

Password:

School code: **kp36**

3. Your child's homepage will appear.

Reading a book online

We allocate books to your child according to their reading levels. These books will appear in the 'My Stuff' area of their personal homepages.

Throughout the books there are quiz questions for your child to complete. To answer a question, just click on the bug icon. Your child does not need to finish all the quiz questions in one sitting and can come back to a book later.

When your child has finished all the quiz questions in a book, he or she will earn 'ActiveLearn Coins'. By reading more books, your child will earn enough coins to 'buy' a reward in one of the many reward schemes. The answers to the quiz questions will be sent back to our teacher site so that we can see how your child is progressing. We will also be able to assign more books for your child to read if the virtual book bag is running low.

When your child has finished a book, it will move to 'My Library'. Children can read these books again if they want to, or they can choose new books from 'My Stuff'.

Getting involved

The reader

Until they are fluent readers, younger children will benefit from reading aloud to you as often as possible. By the time they are in Years 5 or 6, many children prefer to read silently to themselves. Create quiet opportunities for them to do so, but then talk to them about the book they are reading.

Sharing reading

When sharing a book with your child, try to take opportunities to talk about the book - before, during and after reading.

Before reading: look at the book cover and talk about your child's expectations. Is the book likely to be fiction or non-fiction? Have you read other books together about these characters or by this author? What does your child think the book is going to be about?

While reading: support your child when unknown words need tackling: you can sound them out, split them into syllables, or identify suffixes and prefixes. Remind your child to listen to the words while reading them, to make sure that they make sense. Have a 'meaning check' every now and again to ensure that your child understands the text.

After reading: talk about the book. What was it about? Did it match your child's expectations? Ask questions beginning with the words *how* and *why* to check that your child has been able to read between the lines. Ask whether anything seemed puzzling. Then ask your child to explain what the best and worst bits of the book were, and why.

Need help?

If your child is having trouble using Bugclub, help can be found in the Help Section of ActiveLearn Primary (in the top right-hand corner of the website). Please note: We strongly recommend using Google Chrome or Mozilla Firefox web browsers with ActiveLearn. If you prefer to use Internet Explorer, please check you have at least IE9 in order for everything to work as it should.

Best wishes,

Ruth Byrne

Deputy Headteacher
