

If you have any of the items listed, or you find something similar you think would be useful, please bring them into school at your convenience and we will gladly take them off your hands. We just ask you to ensure they are clean, not broken and safe for children to use. If you have any contact details of anyone you think we could make connections with, who could help us source items like crates or palettes, then please let us know.

In addition to the Outdoor area, we are further improving the provision in Year 1 and would be very grateful for any small world donations. If you have older children who no longer play with the following items, we are happy to put them to good use.

Sea creatures Animals and their young Reptiles People	Fantasy characters such as princesses and dragons trees scenery	dinosaurs Storage boxes Little tables buildings
--	---	--

We will be sure to keep you updated on how your resources are being used across school, but in the meantime, happy hunting.

Many thanks in anticipation of your support,

Ruth Byrne

Deputy Headteacher for the First School
